

Faculty Meeting Oct.27, 2020

The following information was presented by Dianne Kestler to the faculty.

Green School Information

- Saint John was awarded Green School status in 2017
- Time to reapply – lost some planning time in the spring
- Intend to apply is due December 18, Renewal application is due on March 17, 2021
- Committee Members and Meetings – Difficult to meet due to Covid19
- Review Green School Page on the school Weebly site to identify needed components to apply
- Data for the application may include activities beginning the summer of 2017
- Folders are set up on the teachers drive under Green School to submit documentation of lessons that have been implemented for Curriculum and Instruction – description and photos are needed
- Report any Environmental Professional Development that you have completed to DK
- Webinars are available on the MAEOE website
- Earth Week Celebration will continue again this year -virtual and/or in person
- The Weekly Thursday Update will include due dates and opportunities
- We need to continue and build on the great ways we teach our students about the environment along with how to protect and sustain the Earth that God has given us.
